# ABOUT US

We're a buccaneering, privately owned, family business with 38 years experience, and we're based in Whitby - a real place with a rich history as a fishing port.

We're obsessed with top-notch seafood and are the market leaders in quality.

We are the UK's largest buyer and processor of scampi, always innovating within our supply chain.

Whitby Scampi is a famous dish in pubs and restaurants throughout the land. We've become the No.1 brand in food service since we started the business in 1985.

We pride ourselves on doing things honestly and properly, staying true to our family values to deliver a fresh taste of the seaside and bloomin' special coated seafood options to delight your customers.
